How to Wow Jack Davis, Ben Willmore, 2004 Wouldn't it be great if you could have two of the world's most sought after Photoshop teachers sitting next to you at your computer as you navigate through the infinite possibilities of your digital photographic darkroom **How to Wow Photoshop for Photography** is the next best thing. It's the brainchild of two Photoshop powerhouses Jack Davis and Ben Willmore both world renowned authors and educators who have developed an effective way to help you reach your full creative potential. Jack and Ben guide you step by step through real world projects with an emphasis on uncompromising quality, last minute flexibility and go home at night speed. You'll receive tips and techniques on everything from streamlining your workflow to solarizing without chemicals to balancing out skin tones. Whether it's optimizing the color and tone of your image, retouching cosmetic undesirables, reconstructing priceless heirlooms or creating sepia color treatments you'll be given the tools at every stage of the creative process in order to learn **How to Wow**. The book begins with the essentials of workflow including color management, Photoshop's File Browser and Camera Raw and then moves on to adjusting and optimizing and retouching and repairing. Next comes the fun stuff with projects focusing on enhancing and exaggerating aspects of your photos for maximum impact followed by projects on color and black and white treatments and artistic effects and overlays. Finally there is a chapter devoted to combining your images and creating custom photo collages using instant **Wow Tools Presets** available on the CD ROM accompanying the book.

The Knife Man Wendy Moore, 2007-12-18 The vivid often gruesome portrait of the 18th century pioneering surgeon and father of modern medicine John Hunter. When Robert Louis Stevenson wrote his gothic horror story of Dr Jekyll and Mr Hyde he based the house of the genial doctor turned fiend on the home of John Hunter. The choice was understandable for Hunter was both widely acclaimed and greatly feared. From humble origins John Hunter rose to become the most famous anatomist and surgeon of the eighteenth century. In an age when operations were crude, extremely painful and often fatal he rejected medieval traditions to forge a revolution in surgery founded on pioneering scientific experiments. Using the knowledge he gained from countless human dissections Hunter worked to improve medical care for both the poorest and the best known figures of the era including Sir Joshua Reynolds and the young Lord Byron. An insatiable student of all life forms Hunter was also an expert naturalist. He kept exotic creatures in his country menagerie and dissected the first animals brought back by Captain Cook from Australia. Ultimately his research led him to expound highly controversial views on the age of the earth as well as equally heretical beliefs on the origins of life more than sixty years before Darwin published his famous theory. Although a central figure of the Enlightenment Hunter's tireless quest for human corpses immersed him deep in the sinister world of body snatching. He paid exorbitant sums for stolen cadavers and even plotted successfully to steal the body of Charles Byrne famous in his day as the Irish giant. In *The Knife Man* Wendy Moore unveils John Hunter's murky and macabre world a world characterized by public hangings, secret expeditions to dank churchyards and gruesome human dissections in pungent attic rooms. This is a fascinating portrait of a remarkable pioneer and his determined struggle to haul surgery out of the realms of meaningless superstitious ritual and into the dawn of modern medicine.

Trumpets Over Merriford Reginald Arkell, 1955

According To Queeney Beryl Bainbridge,2010-12-02 A stellar literary event written with panache and an enviable economy the biggest risk of her literary life Margaret Atwood According to Queeney is a masterly evocation of the last years of Dr Johnson arguably Britain s greatest Man of Letters The time is the 1770s and 1780s and Johnson having completed his life s major work he compiled the first ever Dictionary of the English Language is running an increasingly chaotic life Torn between his strict morality and his undeclared passion for Mrs Thrale the wife of an old friend According to Queeney reveals one of Britain s most wonderful characters in all his wit and glory Above all though this is a story of love and friendship and brilliantly narrated by Queeney Mrs Thrale s daughter looking back over her life
